### RISK GUIDE

This Risk Guide provides information regarding the opportunities promoted by CryptoGuy.

#### **Professional Disclaimer**

CryptoGuy cannot and does not offer investment advice. The information is provided for general informational and educational purposes only and is not a substitute for professional advice. You should neither construe any of the material contained herein as business, financial, investment, hedging, trading, legal, regulatory, tax, or accounting advice nor make this service the primary basis for any investment decisions. Accordingly, before taking any actions based upon such information, we encourage you to consult with the appropriate professionals. We do not provide any kind of investment advice.

#### **Highly volatile investment product. No investor protection. Your capital is at risk.**

Before pursuing or investing in such high-risk opportunities, you should ensure that you are self-certified as either a High Net Worth Individual or a Sophisticated Investor, as defined by the Financial Conduct Authority ("FCA") under the Financial Services and Markets Act 2000 (FSMA). If you are unsure whether you fall into any of these groups, you should check with your Independent Financial Adviser.

#### **CryptoGuy Program content is not to be construed as a solicitation or recommendation:**

CryptoGuy Program content has been prepared for informational purposes only without regard to any particular user's investment objectives, financial situation, or means, and CryptoGuy is not soliciting any action based upon it. This information is not to be construed as a recommendation, or an offer to buy or sell; or the solicitation of an offer to buy or sell any assets, or to participate in any particular trading strategy in any jurisdiction in which such an offer, solicitation, or trading strategy would be illegal. Certain transactions, including those involving futures and sports betting, give rise to substantial risk and are not suitable for all investors. Although Program(s) are based upon information that CryptoGuy considers reliable and endeavours to keep current, CryptoGuy has not verified this information and does not represent that this material is accurate, current, or complete and it should not be relied upon as such.

#### **No determination of suitability has been made; not all risks are disclosed; private advisors should be consulted:**

The fact that CryptoGuy has made its Program(s), software(s) and system(s) available to you constitutes neither a recommendation that you enter into a particular transaction nor a representation that any opportunity described on its communication channels is suitable or appropriate for you. Many of the opportunities described on CryptoGuy' channels involve significant risks, and you should not enter into any transactions unless you have fully understood all such risks and independently determined that such transactions are appropriate for you.

Any discussion of the risks contained herein with respect to any opportunity should not be considered to be a disclosure of all risks or a complete discussion of the risks which are mentioned.

You should neither construe any of the material contained herein as business, financial, investment, hedging, trading, legal, regulatory, tax, or accounting advice nor make this service the primary basis for any investment decisions made by or on behalf of you, your accountants, or your managed or fiduciary accounts, and you may want to consult your business advisor, legal, and tax and accounting advisors concerning any contemplated transactions.

**Your personal decision to invest:**

We do NOT give any type of investment advice or make personal recommendations. No information on this site constitutes financial advice nor a personal recommendation. If you are unsure about the meaning of any information provided it is strongly recommended that you consult your own professional and financial advisers.

**Your capital is at risk:**

By choosing to take advantage of any opportunities promoted by CryptoGuy, your capital is at risk and target returns are not in any way guaranteed. Any money used in cryptocurrency market exchanges or sports market exchanges is high-risk. You may lose all, or part, of what you invest. There can be no guarantee that any funds used will achieve profit. You should not trade more money than you can afford to lose, and also without altering your standard of living.

**Past performance:**

Past performance is not a reliable indicator of future results. You should not rely on past performance information as the basis for any of your program decisions. The future performance of your trade may be unfavourably affected by a variety of factors.

**Tax:**

Any and all tax consequences depend on the individual circumstances of each member and may be subject to change in the future. You are fully responsible for the administration of your own tax affairs. We do NOT provide any financial or tax advice. If you are unsure, you must seek professional tax advice beforehand.

**Unregulated:**

All presented information, signals, and all parties involved are NOT authorised and are NOT regulated by the FCA (Financial Conduct Authority).
